How this geohash location was calculated

Geohashing is an adventure game, first described in xkcd comic #426. Every day, effectively random locations are generated by an algorithm and people try to get there. To find out more, or join in the fun yourself, visit <http://geohashing.org/>

The place to talk about this particular expedition is at http://geohashing.org/2019-05-23_40_-3
